Humane and Environmental Education
Founded in 1959 by Aida Flemming
Fredericton, NB CANADA

Kindness Club Inc. is a non-profit organization. The Club's mission statement is: to educate children to respect and be kind to animals and people, and to respect the environment. There are hundreds of Kindness Club members across Canada and the United States. School classes may join as a Kindness Club Class or a Kindness Club may be formed in a school, library or youth group.

Upon joining you receive a packet of information as well as a membership card and pin. You also receive the *Kindness Club Newsletter* for a year (four issues). Through the *Kindness Club Newsletter* you learn how to choose and look after pets, how to respect and help domestic animals, wildlife and the environment, and you learn about endangered species and spaces.

Membership fees: \$5.00 child \$10.00 adult

(Members living in the United States please pay in US dollars)
